

Early Start Request Application

BUILDING DEPARTMENT

Revision Date: 6/25/2024

Form I.D. Number: 019.0

PURPOSE

The City of Coral Springs Building Department has implemented an Early Start Request Program to provide an opportunity for construction work to begin while the application for building permit(s) is being reviewed.

Please Note: An Early Start request will only be approved if there is delay in the approval of plans and/or specifications or other similar special circumstances and only after the completion of the first round of reviews.

AUTHORITY

Section 105.12 of the Broward County Administrative Provisions to the Florida Building Code 8th Edition (2023) allows limited work to start before a building permit is issued. This code section allows certain work to commence up to the point an inspection would be required. In other words, a contractor is not allowed to continue work beyond the point of a required inspection without an official permit. Any work completed prior to the permit issuance is entirely at the risk of the permit applicant.

SUBMITTAL PRE-REQUISITES

- All required building permit applications and corresponding plans must have been submitted to the Building Department.
- Building permit applications and plans must have been approved by both Planning & Zoning and Engineering Divisions (if applicable).
- Required demolition permits and inspections must be obtained and approved.

SUBMITTAL REQUIREMENTS

- Early Start Request Application may be submitted in person at the Building Department One Stop Shop or by email at buildingpermits@coralsprings.gov **and must be** accompanied by a completed Credit Card Authorization Form.
- \$58.51 fee** charged upon approval of application.
- Completed application signed by both property owner (or owner's agent) **and** the Qualifier.
